

Fixes

Total Valid Bugs: 25

No. of bugs fixed: 15

Bug Report #	Status	Testcase (filename)	Comments
from6_1	Fixed	<p>This could actually be addressed in rebuttal but different shells behave differently. Mentioned in our assumption</p>  <p>hackathon.team6.hackathon.GlobbingTest#testGlobbing</p>	
from6_2	Fixed	sg.edu.nus.comp.cs4218.impl.app.LsApplicationTest#runWithValidAsForWindows	
from6_3	Not Fixed	Non Trivial Fix	
from6_4	Not Fixed	Non Trivial Fix	
from6_5	Not Fixed	Minor detail that would not affect functionality, also it would break a lot of existing test cases, thus not worth fixing.	
from6_7	Fixed	hackathon.team6.hackathon.CpApplicationTest#testCpToNotExistFolder	
from19_1	Not Fixed	Non Trivial Fix	
from19_2	Fixed	sg.edu.nus.comp.cs4218.impl.app.LsApplicationTest#runWithValidArgsForWindows	
from19_3	Not Fixed	Non Trivial Fix	
from19_4	Fixed	hackathon.team19.hack.tests.cp.CpTest#test20	
from19_5	Not Fixed	Non Trivial Fix	
from19_6	Fixed	Updated assumption by explicitly mentioning "ascending order"	

from19_8	Not Fixed	Non Trivial Fix	
from19_10	Not Fixed	Non Trivial Fix	
from19_11	Fixed	hackathon.team19.hack.tests.exit.ExitTest#test10	
from19_12	Fixed	sg.edu.nus.comp.cs4218.impl.app.SedApplicationTest#testSuccessfulReplaceWithFile	
from19_15	Fixed	sg.edu.nus.comp.cs4218.impl.app.RmApplicationTest#rmNonEmptyFolderDFlagAttempt	
from19_16	Not Fixed	Non Trivial Fix	
from19_17	Fixed	sg.edu.nus.comp.cs4218.impl.app.RmApplicationTest#failsCurrDir	
from19_18	Fixed	sg.edu.nus.comp.cs4218.impl.app.PasteApplicationTest#testSingleFileSingleLineArg	
from19_20	Fixed	The way the test cases were written, we thought it was a bug and accepted it. But, after looking into it while fixing it we have realised that actually they are just running the command "grep a". In this case, our implementation waits for input to come from the stdin. Therefore, it's not hanged as mentioned in their bug report. So, invalid bug.	
from19_26	Fixed	test.integration.LsIntegrationTest#testLsWithEmptyQuote()	
from19_27	Not Fixed	Non Trivial Fix	
from19_29	Fixed	sg.edu.nus.comp.cs4218.impl.util.IORedirectionHandlerTest#testFailsRedirOutputNoDest	
from19_30	Fixed	N/A just fixed mistake of using wrong variable in error message
